DELIVERING EXCELLENCE IN SCI/D, MS AND ALS TREATMENT, REHABILITATION AND CARE

Celebrating 12 years of SCI/D Professional Education, the **PVA Summit + Expo is the only U.S. conference** that brings together interdisciplinary healthcare teams from the VA and private institutions to **strengthen the continuum of care** for Veterans and all people living with spinal cord injury and related diseases (SCI/D).

This intensive, three-day program will feature the **latest research, technologies, and best practices** for SCI/D, MS, and ALS. Attendees from all around North America will come to learn from renowned leaders and specialists, collaborate with their colleagues in other disciplines, and catch the industry's newest medical innovations.

Clinicians will leave the PVA Healthcare Summit ready to implement new, holistic strategies to **help their patients lead healthy, independent, and fulfilling lives.**

Sharing Knowledge

Building Skills

Advancing Milestones

Improving Care

Striving for Cures

*“I feel I have gained improved ability to have **more positive communication** due to the informative sessions throughout the Summit.”*

ABOUT PARALYZED VETERANS OF AMERICA

PVA is an **UnstoppABLE** force for all Veterans, providing our heroes with an **unparalleled** range of no-cost programs and services. Since our earliest days, we've recognized that state-of-the-art research and education hold the keys to better treatments for SCI/D—and ultimately to cures.

- We **fund research** to find new treatments for people living with spinal cord injuries and related diseases.
- We **ensure the highest-quality care** for Veterans with SCI/D, MS and ALS at VA hospitals and facilities.
- We **educate healthcare professionals** on best practices in clinical services for those with SCI/D, MS and ALS.
- We **publish evidence-based clinical practice guidelines and companion consumer guides** on critical health issues related to SCI/D, MS and ALS.
- We **empower and improve quality of life** for American Veterans and ALL people living with disabilities, plus their families and caregivers.

Working with dedicated companies like yours helps us reach more professionals on the front lines of SCI/D, MS and ALS care—and **improve outcomes for more people.**

PVA is one of the 100 largest U.S. charities (as ranked by Forbes), named Nonprofit of the Year by the DMA Nonprofit Federation and voted as “Brand of The Year” (Military & Veteran Serving Nonprofit category) in the 2018 Harris Poll EquiTrend study.

*“The PVA summit always offers me **new inspiration and best practice ideas** to implement at my local VA. It is nice to have a greater understanding of all the new/different practices available to Vets”*

SERVING VETERANS, THEIR FAMILIES, AND THEIR CAREGIVERS

19.6 million U.S. veterans are alive today

Nearly **1/3** live with a disability

61 million Americans live with disabilities

Challenges facing our veterans:

About 1/2 of all spinal cord injuries occur between **ages 16-30**

1/3 of veterans say they are employed below their skill level

We are an **UnstoppABLE** force for veterans and people living with disabilities... and we serve all 50 states, the District of Columbia, and Puerto Rico

CARE

Each year, we examine, monitor, and audit the quality of health care and related programs at all VA SCI/D Centers and health facilities, and advocate for vital improvements.

BENEFITS

Our clients received **more than \$1 billion** in VA benefits in FY22 alone.

JOB

Clients who find jobs through our employment program have an **80% retention rate**

ADVOCACY

PVA is a vocal advocate for accessibility in travel and continues the fight to make air travel more accessible to **all people with disabilities**.

RESEARCH

In 2022 we celebrated our ongoing partnership with Yale University to find a cure for SCI/D. PVA funded **over 600 research grants** and **invested over \$52M** in our quest to cure SCI/D, MS and ALS.

ACCESSIBILITY

PVA's architectural department was the **lead consultant for the Americans with Disabilities Act (ADA)**, providing critical architectural support to ensure that buildings, facilities, and sports complexes met ADA compliance

Sources: ADA National Network, Centers for Disease Control and Prevention, Paralyzed Veterans of America, U.S. Department of Veterans Affairs
